Dear Governor Scott, President Negron, Speaker Corcoran, and Dr. Twogood:

As of August 1, 2015, citizen support and direct-support organizations created, approved or authorized by an agency are required to submit information relating to their organization, mission and finances to the agency that it was created to support. See section 3, Chapter 2014-96, Laws of Florida, which creates section 20.058, Florida Statutes.

By August 15 of each year, agencies are required to report this information to the Governor, the Legislature, and the Office of Program Policy Analysis and Government Accountability, and to provide a recommendation on whether to continue, terminate or modify the agency's association with the organization. The Department of Management Services has not created and does not approve or administer any citizen support or direct-support organization, nor do we receive information from these organizations.

If you have any questions concerning this reporting please contact me or Richard Perritti at 850-487-0364.

Sincerely,

Erin Rock
Secretary
