AGENCY ISSUE NARRATIVE:
 SCH VIIIIB-2 NARR 19-20 NARRATIVE:
 PRIORITY #9

IT COMPONENT? NO

ISSUE TITLE: 1115 MEDS-AD Waiver Elimination

Article III, section 19 of the Florida Constitution, requires departments and agencies to provide a "...prioritized listing of planned expenditures for review and possible reduction in the event of revenue shortfalls." This issue is being submitted to comply with this requirement and does not represent support or endorsement by the Agency for Health Care Administration (AHCA).

ISSUE SUMMARY: This issue eliminates \$532,009,723 from the Medicaid program associated with optional eligibility category for the MEDS-AD waiver program, effective July 1, 2019. The reduction amount includes the proportionate federal share.

ISSUE DETAIL: The MEDS-AD waiver program is for persons who are at least 65 years old or disabled, with an income up to 88 percent of the Federal Poverty Level (FPL) that is within the State asset limits, without Medicare, or dually eligible for Medicare and Medicaid and meet specific waiver criteria. Many of the individuals in this optional eligibility group do not otherwise qualify for Medicaid. This optional eligibility group is projected to have 40,591 eligibles that would be affected, all from the Supplemental Security Income (SSI) eligibility group. These individuals are aged, blind, or disabled with incomes about the SSI level but below 88 percent of the FPL. An amendment to the 1115 Managed Care Waiver and legislative authority are needed to achieve this reduction.

Medicaid would continue to pay Medicare crossover payments for the dually eligible individuals (both Medicare and Medicaid). The estimate does not include the impact of individuals who would still be eligible for Medicaid services by transferring to the SSI eligibility category. The remaining individuals who would be affected due to the elimination of the optional eligibility group would be those who are Medicaid eligible only (non-dual) who do not reside in a long-term care facility or participate in the prepaid long term-care waiver program.

The top expenditures for the affected eligibles are as follows:

Prepaid Health Plans - \$496,839,922 - 93.39%
 Hospital Inpatient - \$10,785,814 - 2.03%
 Other Fee for Service - \$8,487,958 - 1.60%

ISSUE TITLE: Eliminate Optional Services

Article III, section 19 of the Florida Constitution, requires departments and agencies to provide a "...prioritized listing of planned expenditures for review and possible reduction in the event of revenue shortfalls." This issue is being submitted to comply with this requirement and does not represent support or endorsement by the Agency for Health Care Administration (AHCA).

ISSUE SUMMARY: This issue reduces \$40,569,703 from certain Medicaid Services categories by eliminating optional coverage of routine dental, vision, hearing, chiropractic, and podiatry services for adult Medicaid recipients. The reduction amount includes the proportionate federal share.

ISSUE DETAIL: Adult Medicaid recipients currently receive emergency dental services, full and partial dentures, vision and hearing services, which include routine exams and fitting, dispensing, repair of eyeglasses, hearing aid services, chiropractic services, and podiatrist services. For Fiscal Year 2019-2020, it is estimated that over 700,000 individuals will be eligible to use these optional services. This issue eliminates these optional services. Cessation of this coverage would require a State Plan amendment and legislative approval.

ISSUE TITLE: Medically Needy Reduction Excluding Children and Pregnant Women

Article III, section 19 of the Florida Constitution, requires departments and agencies to provide a "...prioritized listing of planned expenditures for review and possible reduction in the event of revenue shortfalls." This issue is being submitted to comply with this requirement and does not represent support or endorsement by the Agency for Health Care Administration (AHCA).

ISSUE SUMMARY: This issue reduces \$593,435,633 by limiting coverage in the Medically Needy Program to children and pregnant women only. This change would have an effective date of July 1, 2019. The reduction amount includes the proportionate federal share.

ISSUE DETAIL: The Medically Needy Program is for persons who have income above regular Medicaid levels, but incur medical expenses that cause them to qualify for Medicaid on a month-by-month basis. This issue limits the program eligibility and coverage to children and pregnant women and would result in approximately 1,829 children and pregnant women that would continue to receive services. There are approximately 27,348 non-pregnant adults who would no longer be eligible for the Medically Needy program. This change would require a State Plan amendment and legislative approval.

Medicaid would continue to pay Medicare crossover payments, premiums and deductibles for Qualified Medicare Beneficiary (QMB) eligibles as well as premiums for Specified Low-Income Medicare Beneficiary (SLMB), and Qualified Individuals (QI) eligibles. The estimate does not include the impact of these individuals transferring to the QMB eligibility category.

The projected expenditures for Fiscal Year 2019-2020 under the Medically Needy program for current eligibles are as follows:

Hospital Inpatient -	\$210,267,692	- 35.43 percent
Hospital Outpatient -	\$141,354,843	- 23.82 percent
Prescribed Medicine -	\$101,979,624	- 17.18 percent
Physician -	\$ 88,307,965	- 14.88 percent
Other -	\$ 51,525,508	- 8.68 percent

BUDGET SUMMARY: The budgetary breakout for this reduction is as follows:

ISSUE TITLE: Home and Community-Based Services Waiver Reduction - Double Budget

Article III, section 19 of the Florida Constitution, requires departments and agencies to provide a "...prioritized listing of planned expenditures for review and possible reduction in the event of revenue shortfalls." This issue is being submitted to comply with this requirement and does not represent support or endorsement by the Agency for Health Care Administration (AHCA).

ISSUE SUMMARY: This issue reduces \$138,947,255 from the Home and Community Based Services (HCBS) category associated with the double budget appropriated to the AHCA for the payment of claims for the HCBS waiver administered by the Agency for Persons with Disabilities (APD). The reduction amount includes the proportionate federal share.

ISSUE DETAIL: This issue reduces double budget authority in the Medical Care Trust Fund that is used by the AHCA for the payment of claims for individuals enrolled in the HCBS waiver administered by the APD. This reduction would keep the budget authority in the HCBS waiver category in balance based upon the federal financial participation (FFP) rate. The General Revenue reduction would be reflected in the APD's budget.

ISSUE TITLE: Reduce Personal Needs Allowance

Article III, section 19 of the Florida Constitution, requires departments and agencies to provide a "...prioritized listing of planned expenditures for review and possible reduction in the event of revenue shortfalls." This issue is being submitted to comply with this requirement and does not represent support or endorsement by the Agency for Health Care Administration (AHCA).

ISSUE SUMMARY: The issue reduces \$14,888,779 from certain Medicaid Services categories associated with the reduction of the personal needs allowance from \$130 to \$105. The reduction amount includes the proportionate federal share.

ISSUE DETAIL: Medicaid recipients residing in medical institutions and intermediate care facilities have a personal needs allowance, which is the amount of monthly income they may keep to pay for personal expenses. In Fiscal Year 2014-2015, the Legislature increased the personal needs allowance from \$30 to \$105. During the 2018-2019 Legislative Session, the Legislature again increased the personal needs allowance from \$105 to \$130 per month. This issue would reduce the monthly personal needs allowance back to \$105. This change would require a State Plan amendment and legislative approval.

BUDGET SUMMARY: The budgetary breakout for this reduction is as follows:

ISSUE TITLE: Nursing Home Rate Reduction

Article III, section 19 of the Florida Constitution, requires departments and agencies to provide a "...prioritized listing of planned expenditures for review and possible reduction in the event of revenue shortfalls." This issue is being submitted to comply with this requirement and does not represent support or endorsement by the Agency for Health Care Administration (AHCA).

ISSUE SUMMARY: This issue reduces \$393,428,897 from the Nursing Home Services, Hospice, and Prepaid Health Plan - Long-Term Care categories to achieve a reimbursement rate reduction. This reduction amount includes the proportionate federal share.

ISSUE DETAIL: The AHCA would achieve this reduction by decreasing the reimbursement rates for nursing home and hospice services by 13.47 percent and utilizing the 10.44 percent pass-through impact on prepaid health plans. The reduction to the reimbursement rates for nursing home and hospice services would have an effective date of July 1, 2019 and the impact to the prepaid health plans would have an effective date of October 1, 2019. In Fiscal Year 2020-2021, there would be a three-month annualization amount of \$115,590,483 in the Prepaid Health Plan - Long-Term Care category.
