IT COMPONENT? NO

The Governor exercises the highest level of executive authority, informs the Legislature on the conditions of the state, directs executive programs and responses toward solving problems and implementing legislative intent, and participates in the Florida Cabinet System. The function of Executive Direction and Support Services is to assist the Governor in meeting these responsibilities. Key units within this service are: Executive Staff unit which includes the Governor, Lieutenant Governor, Chief of Staff, Deputy Chiefs of Staff, and assistants; Communications Office; Cabinet Affairs; External Affairs; Appointments Office; Legal Office; Office of the Chief Inspector General; Office of Open Government; Citizen's Services; Florida Washington Office; Child Adoption Office; Administrative Services; and the Governor's Mansion. The Governor's Executive area budget is primarily salaries and benefits and the associated expenses related to

staff functions (e.g. rent, travel, supplies, etc). The proposed 10% reduction would result in a potential cutback of the Executive workforce of up to 10 filled full time equivalent positions and \$628,400 in General Revenue salaries and benefits. This reduction is calculated based on an average salary for filled positions and positions anticipated to be filled in the short term future. Please note that the EOG is currently holding some positions vacant to meet our current budget constraints. These proposed reductions in Full Time Equivalent positions would be in addition to those currently held in vacancy. Lump Sum General Revenue appropriations would be reduced by \$557,180. Additionally, \$72,483 would be reduced from the Grants and Donations Trust Fund lump sum appropriations for Notary training, and \$15,000 would be deducted from the Child Advocacy recurring General Revenue budget. The total reduction to this budget entity would be \$1,273,063.

committees, and all state agencies to produce and maintain the state's budget. Additionally, the SDD maintains and supports all local area network operations and client server custom applications for the Office of Policy and Budget and the legislative appropriations committees. Proposed 10% reductions would be accomplished by the reduction of 3 full time equivalent positions and the associated salaries and benefits budget totaling \$380,328 in trust fund spending authority, and a reduction of \$215,221 in lump sum trust fund appropriations. The total recurring trust fund reduction would be \$595,549. A reduction of this magnitude may slow down the SDD's ability to make changes to the systems currently supported and may impact their ability to purchase, maintain, and repair existing systems at their current level of integrity and operation.

IT COMPONENT? NO

The Office of Policy and Budget (OPB) provides systematic management and integration of planning, policy development, budgeting, and program evaluation in support of the Governor, state agencies, and the Legislature. A 10% proposed reduction in recurring General Revenue would be accomplished by a reduction of \$484,330 salaries and benefits budget, as well as a reduction of \$535,082 from lump sum (operations) budget. Additionally, this reduction may require up to seven (7) vacant positions to remain vacant in order to generate additional salary lapse.

AGENCY ISSUE NARRATIVE:

SCH VIIIIB-2 NARR 19-20 NARRATIVE:

IT COMPONENT? NO

Reduce funding for and close down the State Logistics Response Center (SLRC) in Orlando. This facility is used to stockpile commodities (water, food, tarps, shelter supplies, mortuary kits, etc) necessary to plan for, respond to, and recover from hurricanes, tornadoes, flooding, or any other significant natural or manmade disaster. This facility is also the initial delivery location for drugs/medical supplies from the Centers for Disease Control (CDC) Strategic National Stockpile. The impact of this reduction would require 6-12 months notice to terminate the lease and vacate the facility, redo the process and procedures for maintaining and distributing these commodities and eliminate 1 FTE/1 OPS

staff position that maintains the daily operations of the SLRC. The reduction in the Emergency Management Preparedness and Assistance Trust Fund would violate Section 252.372, F.S. if swept, as revenue collected cannot be used to supplant existing funding. The reduction in the Grants and Donations Trust Fund is obtained through an agreement with the Department of Health (DOH) for square footage they occupy. This funding is provided through quarterly payments to the Division from DOH.
