The Governor exercises the highest level of executive authority, informs the Legislature on the conditions of the state, directs executive programs and responses toward solving problems and implementing legislative intent, and participates in the Florida Cabinet System. The function of Executive Direction and Support Services is to assist the Governor in meeting these responsibilities. Key units within this service are: Executive Staff unit which includes the Governor, Lieutenant Governor, Chief of Staff, Deputy Chiefs of Staff, and assistants; Communications Office; Cabinet Affairs; External Affairs; Appointments Office; Legal Office; Office of the Chief Inspector General; Office of Open Government; Citizen's Services; Florida Washington Office; Child Adoption Office; Administrative Services; and the Governor's Mansion. The Governor's Executive area budget is primarily salaries and benefits and the associated expenses related to

staff functions (e.g. rent, travel, supplies, etc). The proposed 10% reduction would result in a potential cutback of the Executive workforce of up to 10 filled full time equivalent positions and \$674,000 in General Revenue salaries and benefits. This reduction is calculated based on an average salary for filled positions and positions anticipated to be filled in the short-term future. Please note that the EOG is currently holding some positions vacant to meet our current budget constraints. These proposed reductions in Full Time Equivalent positions would be in addition to those currently held in vacancy. Lump Sum General Revenue appropriations (operations) would be reduced by \$523,475. Additionally, \$72,484 would be reduced from the Grants and Donations Trust Fund lump sum appropriations for Notary training, and \$15,000 would be deducted from the Child Advocacy recurring General Revenue budget. The total reduction to this budget entity would be \$1,285,059.

committees, and all state agencies to produce and maintain the state's budget. Additionally, the SDD maintains and supports all local area network operations and client server custom applications for the Office of Policy and Budget and the legislative appropriations committees. Proposed 10% reductions would be accomplished by the reduction of 3 full time equivalent positions and the associated salaries and benefits budget totaling \$380,328 in trust fund spending authority, and a reduction of \$219,603 in lump sum trust fund appropriations. The total recurring trust fund reduction would be \$599,931. A reduction of this magnitude may slow down the SDD's ability to make changes to the systems currently supported and may impact their ability to purchase, maintain, and repair existing systems at their current level of integrity and operation.

The Office of Policy and Budget (OPB) provides systematic management and integration of planning, policy development, budgeting, and program evaluation in support of the Governor, state agencies, and the Legislature. The proposed 10% reduction would result in a potential cutback of the OPB workforce of up to 14 full time equivalent positions and \$499,100 salaries and benefits budget. Additionally, a reduction of \$530,469 from lump sum (operations) budget would also be required.

This reduction will close down the State Logistics Response Center (SLRC) in Orlando. This facility is used to stockpile commodities (water, food, tarps, shelter supplies, mortuary kits, etc) necessary to plan for, respond to, and recover from hurricanes, tornadoes, flooding, or any other significant natural or manmade disaster. This facility is also the initial delivery location for drugs/medical supplies from the Centers for Disease Control (CDC) Strategic National Stockpile. The impact of this reduction would require 6-12 months notice to terminate the lease and vacate the facility, and redo the process and procedures for maintaining and distributing these commodities. The reduction in the Emergency Management Preparedness and Assistance Trust Fund would violate Section 252.372, F.S. if swept, as revenue collected cannot be used to supplant existing funding.

This will reduce funding for the Commission on Community Services (Volunteer Florida). These funds support ESF-15 functions related to disaster activities. Volunteer Florida is the state's lead agency for mobilizing volunteers and coordinating donations before, during and after disasters. This includes administering the Florida Disaster Fund, the state's official fund established to help communities with disaster recovery; collaborating with nonprofit organizations and local and state government agencies to meet volunteer and donation needs; managing Community Emergency Response Teams (CERT) throughout Florida; and providing presentations and trainings on volunteer and donations management. This agency is guided by a bipartisan board of Commissioners, who are appointed by the Governor and confirmed by the Florida Senate. The impact of not funding this activity will potentially minimize or eliminate the program operations in the State Emergency Operations Center.

This will reduce the trust fund budget authority for Grants and Aids - Emergency Management Programs. Pursuant to Section 252.373, Florida Statutes, the Florida Division of Emergency Management allocates funding from the Emergency Management Preparedness and Assistance Trust Fund (EMPA) to local emergency management agencies for the purpose of providing each county the means to successfully manage and operate an Emergency Management Program. This will reduce the appropriation in General Revenue related to the twenty (20) new positions recently provided by the 2019 Legislature in the Laws of Florida, Ch. 2019-115, Line 2641 proviso for the Division of Emergency Management (DEM). The 20 positions were identified as critical needs for the Division and are currently in the process of being filled. These positions support the administrative and technical assistance per F.S. 252, to promote the state's emergency preparedness, response, recovery and mitigation capabilities through enhanced coordination, and long-term planning. This reduction will impact the ability to hire and maintain qualified individuals critical to the operations of emergency management.
