2020-2021 BUDGET YEAR NARRATIVE:

IT COMPONENT? NO

"Amended 2020-21 Narrative after November 22, 2019" Section 944.012 (5), Florida Statutes, requires the Commission, where possible, to co-locate the Commission's field offices within the Department of Corrections' (hereinafter referred to as "Department") institutions. The Commission's Miami field office is currently located at the Departments' Miami East (11-2) office at no cost to the Commission. The Department has notified the Commission that as of March 30, 2020 the Departments Miami East (11-2) office space will no longer be available to the Commission. The Commission will continue to work in partnership with the Department to relocate the Commission's Miami office to another Department office space that meets the Commission's operational needs at no cost to the Commission. If the Department is unable to provide the Commission office space at no cost, the Commission has no choice but to seek office space for its employees. The Commission does not receive funding for rent for its Miami field office. The Commission is requesting \$24,739 annually to pay rent for the Miami field office, which will be located in a state owned building if space is available. The Commission is requesting this amount in recurring funding beginning July 1, 2020 for FY 2020-21 and each year thereafter. "Summary: This is a new issue."
