SCHEDULE 1 NARRATIVE

Budget Period: 2021-2022

Department: Corrections

Budget Entity: Department Level

Fund: Administrative Trust Fund (2021)

5 Percent Trust Fund Reserve:

1. The trust fund does not have an operating deficit and is not capped for other reasons. It is not subsidized or being considered for subsidizing by general revenue or another trust fund.
2. The trust fund revenues are exempt from trust fund reserve.
3. The trust fund is not being recommended for exemption from the trust fund reserve requirement.
4. The trust fund year-end balance does not exceed 50 percent of appropriations.
5. The 5 percent reserve is calculated by adding the FY2019-20 revenue from Grant and Donations Indirect, Admin Processing Fee and Fees, Charges and Commissions and subtracting the FY 2019-20 Service Charge to General Revenue by multiplying that amount by 5%.

Adjustments:

1. PY Non Certified Payable \$310,220
2. Adjustment to Comp Absences \$12,788
3. Post-Closing Adjusting Entry (TR 10) (87,446)
4. Rounding Adjustment 3

Revenue Estimating Methodology:

1. The trust fund revenues recorded in the current year (A02) are based on indirect from current grant awards from various federal and state agencies and administrative processing fees. The department is authorized to charge the inmates for banking services per s. 944.516(h) Florida Statutes. The department receives compensation from the Parole Commission for providing computing services per Proviso. Currently the Department receives commission payments from the building owner's. Then the department in turn pays the broker the exact same amount. The broker amounts are determined when the lease is negotiated. The revenue for this trust fund is remains consistent, the source of revenue would require a change in the number of grants that pay indirect costs or the revenue generated from the inmate processing fee would require amount per service collections to increase or decrease to affect revenues.
2. The trust fund revenues recorded in the current year (A03) are based on indirect from current grant awards from various federal and state agencies and administrative processing fees. The department is authorized to charge the inmates for banking services per s. 944.516(h) Florida Statutes. The department receives compensation from the Parole Commission for providing computing services per Proviso. Currently the Department receives commission payments from the building owner's. Then the department in turn pays the broker the exact same. The revenue for this trust fund is remains consistent, the source of revenue would require a change in the number of grants that pay indirect costs or the revenue generated from the inmate processing fee would require amount per service collections to increase or decrease to affect revenues.
