IT COMPONENT? NO

Priority #008

This reduction issue improves the efficiency of the Community Interventions and Services program through targeted reductions in comprehensive evaluations, diversion services, Juvenile Assessment Centers, and case management services. Since the COVID-19 pandemic, the courts have referred fewer youth to the department and, as a result, fewer services are necessary. Reductions will be made in other appropriation categories, such as Salaries and Benefits, which will be achieved through attrition and maintaining unfilled vacancies, and Expenses.

Priority #005

This reduction issue will result in improved efficiencies in Contracting and Quality Improvement activities, including contract management, procurement, and quality improvement. These reductions may affect the timeliness of these activities but will not diminish oversight of providers. The largest reductions will take place in the Salaries and Benefits category, which would be achieved through attrition and maintaining unfilled vacancies.
