COLUMN A02: CURRENT YEAR ESTIMATED REVENUES - FY 2020-21

Lines 1 – 27: Transfers from State Agencies – Adjudication of Disputes

These revenues represent transfers from state agencies to the Division of Administrative Hearings (DOAH) to support the Adjudication of Disputes Program. These transfers are appropriated in the FY 2020-21 General Appropriations Act (Chapter 2020-111, Laws of Florida) and total \$7,544,658.

SCHEDULE I
TRUST FUNDS AVAILABLE

SUPPORTING NARRATIVE
FIVE PERCENT TRUST FUND RESERVE AND
YEAR-END TRUST FUND BALANCE

The following five percent trust fund reserve calculation is based on the "General Policy Guidelines for Reserving 5 Percent of State Trust Funds" contained in the FY 2021-22 Legislative Budget Request instructions:

Total Revenues for Fiscal Year 2020-21:	\$28,103,047
Less Assessments from State Agencies for Administrative Law Judge Services	(7,558,401)
Less Assessments from Outside Entities for Administrative Law Judge Services	(434,871)
Less Operating Transfer to Department of Financial Services for Risk Management Insurance	(70,057)
Less Operating Transfer to Department of Management Services for Human Resources Services Contract	(79,262)
Less Nonoperating Transfer to Department of Management Services for Video Teleconferencing Hearings	(145,000)
Less Nonoperating Assessments on Investments	(12,325)
Less Nonoperating Service Charge to General Revenue	<u>(29,879)</u>
 Total Revenue Subject to 5% Reserve Calculation	 <u>\$19,773,252</u>
 Multiplied by 5%	 <u>X .05</u>
 Total 5% Reserve for Operating Trust Fund	 <u>\$ 988,663</u>

Pursuant to the guidelines, the Adjudication of Disputes program is exempt from the requirement that it set aside a five percent reserve because it is supported by assessments from other state agencies and entities for the provision of administrative law judge services. Therefore, the total reserve of \$988,663 is applied to the Workers' Compensation Appeals program.

This reserve of \$988,663 will reduce the June 30, 2022 available cash balance to \$1,385,325 for the Workers' Compensation Appeals program. Barring any unforeseen extraordinary emergencies that may arise in FY 2021-22, this balance should be sufficient to support any interim budget amendments that may be necessary that year, especially considering that the Schedule I also includes other nonoperating reserves for this program.

The year-end balance of the Division's Trust Fund does not exceed 50 percent of appropriations in FY 2019-20, FY 2020-21, or FY 2021-22.
