To address a potential revenue shortfall for Fiscal Year (FY) 2020-21, the Division proposes to employ no Other Personal Services (OPS) employees during the current year. This would leave no funds available for hiring temporary administrative law judges or clerical staff. Because of the limited negative impact of this reduction, this issue has been assigned priority number two.

This reduction affects this program's "Conduct Administrative Hearings and Proceedings" activity. A statutory change is not required to implement this reduction. It is calculated as follows:

IT COMPONENT? NO

To address a potential revenue shortfall for Fiscal Year (FY) 2020-21, the Division proposes to reduce discretionary spending totaling \$(180,588). This reduction will have a significant impact on the Division's operations. The Expenses category has been reduced by 15% since Fiscal Year (FY) 2004-05. It is also important to note that the cost of leased office space comprises 46% of the Expenses category's current allocations, thereby restricting the Division's efforts to identify budget cuts in this category. The Contracted Services category has been reduced by 4% since FY 2009-10, and further reductions would hinder the program's ability to procure services such as document destruction and data backup storage when needs arise. For these reasons, this issue has been assigned priority number ten.

This reduction affects this program's "Conduct Administrative Hearings and Proceedings" activity. A statutory change is not required to implement this reduction. It is calculated as follows:

 SCH VIIIIB-1 NARRATIVE:
 PRIORITY #11

IT COMPONENT? NO

To address a potential revenue shortfall for Fiscal Year (FY) 2020-21, the Division proposes to reduce its workforce as of March 1, 2021. This reduction will have a significant impact on the Division's operations. Since Fiscal Year 2005-06, the Workers' Compensation Appeals program's workforce has been reduced by 11%, and its Salaries and Benefits budget has been reduced by 11%. The Division proposes to further reduce this program's workforce by 16% by deleting 1 judge of compensation claims, 1 mediator, 1 deputy clerk, 1 commission deputy clerk and 1 administrative secretary position in the Ft. Myers office, and 23 administrative secretaries from various districts. This reduction of \$(513,761) would have a significant negative impact on the Division's ability to fulfill its mission of efficiently handling its caseload. The number of incoming petitions has decreased by 49% since 2003. The Division has made significant strides through the use of electronic filing, and intense training and re-training of key personnel to carry out the daily functions of the office. For these reasons, this issue was assigned priority number eleven.

It is important to note that the budget of the Office of the Judges of Compensation Claims is funded by the Workers' Compensation Administration Trust Fund of the Department of Financial Services. This fund is supported by insurance carrier assessments; Section 440.51, Florida Statutes, specifically sets forth the formula for calculating these assessments. Insurance companies pay only that amount necessary to fund the administration of Chapter 440, Florida Statutes, including programs within the Office of the Judges of Compensation Claims, the Division of Workers' Compensation, the Department of Education and others.

This reduction affects this program's "Adjudicate and Hear Workers' Compensation Disputes" and "Facilitate Mediation of Workers' Compensation Disputes" activities. This issue would require amending s. 440.44(5), Florida Statutes, to remove the requirement that the district offices and staffing remain as they existed on June 30, 2001, and allow there to be fewer judges of compensation claims, state mediators, and district offices. It is calculated as follows:

Salaries and Benefits:
 \$(60,754) Delete 1 judge of compensation claims
 \$(39,104) Delete 1 mediator
 \$(19,489) Delete 1 commission deputy clerk
 \$(13,949) Delete 1 deputy clerk

IT COMPONENT? NO

To address a potential revenue shortfall for Fiscal Year (FY) 2020-21, the Division proposes to close the Daytona Beach office as of April 1, 2021. This reduction will have a significant impact on the Division's operations. Since Fiscal Year 2005-06, the Workers' Compensation Appeals program's workforce has been reduced by 11%, and its Salaries and Benefits budget has been reduced by 11%. The Division proposes to further reduce this program's workforce by 3% by closing the Daytona Beach Office and deleting 1 judge of compensation claims, 1 mediator, 1 deputy clerk, 1 commission deputy clerk II, and 1 administrative secretary position. This reduction of \$(134,826) would have a significant negative impact on the Division's ability to fulfill its mission of efficiently handling its caseload. The closing of this office will result in more mediations and hearings being held telephonically. Alternatively, the parties and their counsels who reside in that area would travel to the nearest office (Orlando) to have their cases heard. The number of incoming petitions has decreased by 53% since 2003. The Division has made significant strides through the use of electronic filing, and intense training and re-training of key personnel to carry out the daily functions of the office. For these reasons, this issue was assigned priority number thirteen.

It is important to note that the budget of the Office of the Judges of Compensation Claims is funded by the Workers' Compensation Administration Trust Fund of the Department of Financial Services. This fund is supported by insurance carrier assessments; Section 440.51, Florida Statutes, specifically sets forth the formula for calculating these assessments. Insurance companies pay only that amount necessary to fund the administration of Chapter 440, Florida Statutes, including programs within the Office of the Judges of Compensation Claims, the Division of Workers' Compensation, the Department of Education and others.

This reduction affects this program's "Adjudicate and Hear Workers' Compensation Disputes" and "Facilitate Mediation of Workers' Compensation Disputes" activities. This issue would require amending s. 440.44(5), Florida Statutes, to remove the requirement that the district offices and staffing remain as they existed on June 30, 2001, and allow there to be fewer judges of compensation claims, state mediators, and district offices. It is calculated as follows:

This reduction of \$(130,900) would have a significant negative impact on the Division's ability to fulfill its mission of efficiently handling its caseload. The closing of this office will result in mediations and hearings being conducted telephonically or by video teleconference. In the event a live hearing or mediation is required, judges and mediators would travel to the nearest district office to utilize the hearing rooms available. The number of incoming petitions has decreased by 49% since 2003. The Division has made significant strides through the use of electronic filing, and intense training and re-training of key personnel to carry out the daily functions of the office. For these reasons, this issue was assigned priority number twelve.
