Dear Governor DeSantis, President Simpson, Speaker Sprowls, and Dr. Twogood:

Beginning Aug. 1, 2015, citizen support and direct-support organizations created, approved, or authorized by an agency are required to submit information relating to their organization, mission, and finances to the agency that it was created to support. See section 3, Chapter 2014-96, Laws of Florida, which created section 20.058, Florida Statutes.

By Aug. 15 of each year, agencies are required to report this information to the Governor, the Legislature, and the Office of Policy Analysis and Government Accountability, and to provide a recommendation on whether to continue, terminate or modify the agency's association with the organization.

The Department of Management Services has not created and does not approve or administer any citizen support or direct-support organization, nor do we receive information from these organizations.

If you have any questions concerning this reporting, please contact the Department's Legislative Affairs Office at (850) 488-6284.

Sincerely,

Todd Inman  
Secretary, Department of Management Services
