Tallahassee, Florida 32399-0001

Dear Mr. Spencer:

The Agency Capital Improvements Program for Fiscal Year 2022-23 through Fiscal Year 202627 for the Department of Transportation is submitted and has been posted to the Florida Fiscal Portal, following the instructions dated June 23, 2021. The information provided electronically is a true and accurate presentation of our proposed Fixed Capital Outlay (Buildings and Grounds) Legislative Budget Request of \$19,239,891 for the 2022-23 fiscal year.

- \$9,415,442 is requested for department-wide needs to fund life safety, environmental, Americans with Disabilities Act (ADA) or building critical projects in the buildings and grounds category of Minor Renovations, Repairs and Improvements-Statewide.
- \$3,068,349 is requested for new minor construction and building modification projects in the minor renovations/repairs category necessary to protect and preserve assets from damage and for additional space needs.
- \$475,000 is requested in the Environmental Site Restoration category to continue funding the cleanup of contaminated soil/groundwater at department facilities statewide to restore those sites to an environmentally uncontaminated, clean and safe condition.
- \$6,281,100 is requested for Deferred Maintenance projects that resolve life safety, code and building critical issues.

This submission has been approved by Kevin J. Thibault, P.E., Secretary of Transportation.

Sincerely,

A handwritten signature in black ink, appearing to read "Mechelle Marcum", written over a horizontal line.

Mechelle Marcum
Budget Officer
