Dear Directors:

Pursuant to Chapter 216, Florida Statutes, enclosed is the Amended Request Number 1 for the 2022-23 Fiscal Year of the Executive Office of the Governor. The information contained herein is a true and accurate presentation of our amended legislative budget request for budget period 2022-23. This submission has been approved by James Uthmeier, Chief of Staff.

Chapter 2011-142, Laws of Florida, transferred the Division of Emergency Management (Division) to the Executive Office of the Governor effective October 1, 2011. Section 14.2016, Florida Statutes, tasks the Division with the responsibility for all "...professional, technical, and administrative functions necessary to carry out its responsibilities under part I Chapter 252..." The Division has a unique mission, as well as distinct goals and objectives. As such, the Division developed its own Legislative Budget Request. The Division's budget data is included with the Executive Office of Governor data for all agency level exhibits and schedules as prescribed in the budget instructions; however, due to the statutorily mandated separation, certain documents and exhibits are reported separately. The Division's budget information and Legislative Budget Request is attached herein, and has been approved by Kevin Guthrie, Executive Director.

Kindest Regards,
