AGENCY ISSUE NARRATIVE:

SCH VIIIIB-2 NARR 23-24 NARRATIVE:

IT COMPONENT? NO

Priority Issue Number 3

The Governor exercises the highest level of executive authority, informs the Legislature on the conditions of the state, directs executive programs and responses toward solving problems and implementing legislative intent, and participates in the Florida Cabinet System. The function of Executive Direction and Support Services is to assist the Governor in

COL A10 SCH VIIIB-2 RED FY23-24 POS	AMOUNT	CODES

meeting these responsibilities. Key units within this service are: Executive Staff unit which includes the Governor, Lieutenant Governor, Chief of Staff, Deputy Chiefs of Staff, and assistants; Communications Office; Cabinet Affairs; External Affairs; Appointments Office; Legal Office; Office of the Chief Inspector General; Office of Open Government; Citizen's Services; Florida Washington Office; Child Advocacy Office; Administrative Services; and the Governor's Mansion. The Governor's Executive area budget is primarily salaries and benefits and the associated expenses related to staff functions (e.g. rent, travel, supplies, etc). The proposed 10% reduction would result in a potential total cutback of the Executive workforce of up to 10 full time equivalent positions and \$797,000 in General Revenue salaries and benefits. This reduction is calculated based on an average salary for filled positions and positions anticipated to be filled in the short-term future. Please note that the EOG is currently holding some positions vacant to meet our current budget constraints. These proposed reductions in Full Time Equivalent positions would be in addition to those currently held in vacancy. Lump Sum General Revenue appropriations (operations) would be reduced by \$745,122. Additionally, \$75,818 would be reduced from the Grants and Donations Trust Fund lump sum appropriations for Notary training, \$15,000 would be deducted from the Child Advocacy recurring General Revenue budget and \$100,000 from the Enterprise Cybersecurity Resiliency recurring General Revenue budget. The total reduction to this budget entity would be \$1,732,937.

supports all local area network operations and client server custom applications for the Office of Policy and Budget and the legislative appropriations committees. Proposed 10% reductions would be accomplished by a reduction of \$323,978 salaries and benefits budget in trust fund spending authority and a reduction of \$323,978 in lump sum trust fund appropriations for a total recurring trust fund reduction of \$647,956. This proposed salaries and Benefits reduction may require up to four (4) vacant positions to remain vacant to generate additional salary lapse. A reduction of this magnitude may slow down the SDD's ability to make changes to the systems currently supported and may impact their ability to purchase, maintain, and repair existing systems at their current level of integrity and operation.

IT COMPONENT? NO

The Office of Policy and Budget (OPB) provides systematic management and integration of planning, policy development, budgeting, and program evaluation in support of the Governor, state agencies, and the Legislature. The proposed 10% reduction would result in a potential cutback of the OPB workforce of up to 14 full time equivalent positions and \$1,130,589 salaries and benefits budget. Additionally, a reduction of \$55,000 from lump sum (operations) budget would also be required for a total 10% reduction of \$1,185,589.

AGENCY ISSUE NARRATIVE:

SCH VIIIIB-2 NARR 23-24 NARRATIVE: IT COMPONENT? NO  
 DEM PRIORITY #104

This issue will close down the State Logistics Response Center (SLRC) in Orlando. This facility is used to stockpile commodities (water, food, tarps, shelter supplies, mortuary kits, etc) necessary to plan for, respond to, and recover from hurricanes, tornadoes, flooding, or any other significant natural or manmade disasters. In 2020, the SLRC was and still is the central point for receiving and distributing Personal Protective Equipment all over the state in response to the COVID-19 pandemic. This facility is also the initial delivery location for drugs and medical supplies from the Centers for Disease Control (CDC) Strategic National Stockpile. The impact of this reduction would require a 6-12 months' notice to terminate the lease and vacate the facility and require a complete rework of the process and procedures of the functions this facility provides. Any replacement option for the SLRC, such as privatizing the function, would require annual funding to ensure response capabilities are immediately available upon activation for a disaster. Reductions to sweep funding in the Emergency Management Preparedness and Assistance Trust Fund would violate Section 252.372, F.S. as revenues collected cannot be used to supplant existing funding.

AGENCY ISSUE NARRATIVE:

SCH VIIIIB-2 NARR 23-24 NARRATIVE:  
 DEM PRIORITY #103

IT COMPONENT? NO

This issue will reduce the trust fund budget authority for the Commission on Community Service (Volunteer Florida). These funds support Emergency Support Function 15 (ESF-15) functions related to disaster activities. Volunteer Florida is the state's lead agency for mobilizing volunteers and coordinating donations before, during and after disasters. This includes administering the Florida Disaster Fund, the state's official fund established to help communities with disaster recovery; collaborating with nonprofit organizations and local government agencies to meet volunteer and donation needs; managing Community Emergency Response Teams (CERT) throughout Florida; and providing presentations and trainings on volunteer and donations management. In addition to these functions, Volunteer Florida also tracks the volunteer hours that can be used for part of the match requirement to federal funds if the disaster is federally declared. This agency is guided by a bipartisan board of Commissioners, who are appointed by the Governor and confirmed by the Florida Senate. The amount of funding being reduced equates to 10% of the total funding being allocated to Volunteer Florida from the Emergency Management Preparedness and Assistance Trust Fund. The impact of reducing the funding for this activity could potentially minimize the ESF-15 operations in the State Emergency Operations Center and require finding cash to match federal disaster funding. Reductions to sweep funding in the Emergency Management Preparedness and Assistance Trust Fund would violate Section 252.372, F.S. as revenues collected cannot be used to supplant existing funding.

PROGRAM REDUCTIONS	33V0000
REDUCTION OF OTHER PERSONAL SERVICES - DIVISION OF EMERGENCY MANAGEMENT	33V9400

This issue will reduce the General Revenue budget authority in the Other Personal Services appropriation category that was provided for FY 2020-21 to support Florida's State Floodplain Office in conducting Community Assistance Visits (CAVs). CAVs must be conducted to ensure that communities are compliant with federal regulations and eligible to purchase National Flood Insurance Program (NFIP) insurance. There are 468 NFIP communities in the state and Florida committed to the Federal Emergency Management Agency (FEMA) to conduct these visits in a 3-year period. Due to the COVID-19 pandemic and travel restrictions being placed in March 2020, delays in conducting these visits have been experienced. The impact of reducing this funding would further put the program behind in conducting these visits which could jeopardize Florida's ability to meet the commitment made to FEMA. In addition, NFIP communities could be at risk of losing their eligibility to purchase NFIP insurance. This reduction equates to 10% of the total appropriation and was calculated based on the target provided for General Revenue reductions.

AGENCY ISSUE NARRATIVE:

SCH VIIIIB-2 NARR 23-24 NARRATIVE:

IT COMPONENT? NO

DEM PRIORITY #102

This issue will reduce the trust fund budget authority for the Grants and Aids-Emergency Management Programs appropriation category. Pursuant to Section 252.373, Florida Statutes, the Florida Division of Emergency Management allocates funding from the Emergency Management Preparedness and Assistance Trust Fund (EMPA) to local emergency management agencies for the purpose of providing each county the means to successfully manage and operate an Emergency Management Program. Each county receives a base amount of \$105,806 annually and are able to receive a reimbursement of their costs associated with the Emergency Management Accreditation Program (EMAP). This reduction would eliminate any reimbursement of costs for accreditation through EMAP and reduce each county's annual base amount by 1% (\$720). The base amount reduction could impact the operations of county emergency management programs whose primary fiscal support comes from this allocation. In addition to operational impacts, this funding is also used to match federal grant funding provided by the Division for operations. Some counties may not be able to find other sources to match the federal funds they received which could result in reductions in their programs. These reductions would then impact the counties' capabilities to respond during a disaster thus placing this additional burden on the state. Reductions to sweep funding
