Re: Annual Agency Report Pursuant to Section 20.058(3), Florida Statutes

Dear Governor Desantis:

Section 20.058(3), Florida Statutes, requires each state agency to annually report the information provided by each citizen-support organization and direct-support organization pursuant to section 20.058(1), Florida Statutes, and the agency's recommendations, with supporting rationale, whether to continue, terminate, or modify the agency's association with each organization.

The Florida Gaming Control Commission has not created, approved, or administered a citizen-support organization or a direct-support organization during the preceding year covered in this reporting period. Additionally, the Commission did not contract with any citizen-support organization or direct-support organization created or authorized pursuant to law or executive order. Accordingly, the Commission has no information or recommendation to report on this subject at this time.

Please contact Christine Hutton, Budget Manager, at (850) 794-8023 if additional information or clarification is needed regarding the Commission's compliance with the reporting requirements of section 20.058, Florida Statutes.
