From the funds in Specific Appropriations 2191 through 2249, no federal or state funds shall be used to pay for space being leased by a Regional Workforce Board, Workforce Florida, Inc., or the Agency for Workforce Innovation if it has been determined by whichever entity is the lessee that there is no longer a need for the leased space. All leases, and performance and obligations under the leases, are subject to and contingent upon an annual appropriation by the Florida Legislature. In the event that such annual appropriation does not occur, or in the alternative, there is either a reduction in funding from the prior annual appropriation or the entity which is the lessee determines that the annual appropriation is insufficient to meet the requirements of the leases, then the lessee has the right to terminate the lease upon written notice by the lessee and the lessee shall have no further obligations under the contracts.

PROGRAM SUPPORT

From the funds provided in Specific Appropriations 2208 through 2218, it is the intent of the Legislature that the administration and delivery of workforce services and programs that are currently provided by agency employees working in One Stop Career Centers operated by the Regional Workforce Boards may be transferred from the Agency for Workforce Innovation to the Regional Workforce Boards. Such transfers shall only occur if the agency determines that the Regional Workforce Boards would more effectively and efficiently deliver services and if such transfers comply with applicable federal regulations. For all transfers made, the agency shall submit budget amendments pursuant to chapter 216, Florida Statutes, to move positions to the Executive Office of the Governor's reserve and realign the budget into the appropriate operating budget appropriation categories to implement the transfer of programs and service delivery to the Regional Workforce Boards.

From the funds in Specific Appropriations 2208 through 2237, the Agency for Workforce Innovation shall determine whether any funds provided for specific workforce programs, projects or initiatives are not an allowable use of federal funds. If the agency finds that any project or initiative for which funds are specifically appropriated in this act is not an allowable use of federal funds, the agency shall notify the Executive Office of the Governor, the chair of the Senate Policy and Steering Committee on Ways and Means and the chair of the House Full Appropriations Council on Education and Economic Development.

SECTION 6 - GENERAL GOVERNMENT

Funds in Specific Appropriation 2243 from the Child Care and Development Block Grant Trust Fund may be used to provide a rate differential or stipend to programs which reach the Gold Seal Quality Care designation. The rate differential shall not exceed twenty percent of the reimbursement rate.

Funds in Specific Appropriation 2243 require a match from local sources for working poor eligible participants of six percent on child care slots. In-kind match is allowable provided there is not a reduction in the number of slots or level of services from the provision of in-kind match. The Agency for Workforce Innovation may adopt a policy to grant a waiver of the six percent match requirement to a rural county that demonstrates a significant hardship in meeting the match requirement. Progress towards meeting this requirement shall be monitored by the Agency for Workforce Innovation, and shall be considered satisfactorily attained if the six percent requirement is met on a statewide basis.

From the funds in Specific Appropriation 2243, the Agency for Workforce Innovation shall designate an amount to be used for the Child Care Executive Partnership Program, as defined in section 411.0102, Florida Statutes, as match to expand the provision of services to low income families at or below 200 percent of the federal poverty level. Funds for this program may be used to match funds for statewide contracts.
