2011-2012 BUDGET YEAR NARRATIVE: IT COMPONENT? NO
 Amended 2011-12 Narrative after February 7, 2011

This is a request for a technical adjustment between categories. The Board of Governors request to add \$20,000 to the contracted services category from the expense category. This adjustment is needed due to expenditures for technology services and for software renewals for our data collection system.

Summary: This is a new issue.

ENHANCEMENTS									4000000	
RESTORE NONRECURRING STATE FISCAL										
STABILIZATION - DISCRETIONARY WITH										
GENERAL REVENUE									4008805	

We are requesting the restoration of the following amounts in the respective categories:

- \$1,293,970---Salaries and Benefits Category
- 6,300---Other Personal Services Category
- 190,000---Expenses Category
- 2,380---Operating Capital Outlay Category
- 50,000---Contracted Services Category

These funds help support positions and general operating expenses associated with the day-to-day operations of the Board. These funds support approximately 19 of the Board's 42 filled positions. In addition, these funds support day-to-day operations such as technology contracts, rent, supplies, and other daily expenses. If these funds are not replaced with general revenue funds, the Board operations will need to be drastically re-vamped to live with-in our available funds.

All office operations would have to be reviewed and many initiatives / work responsibilities would have to be eliminated or severely curtailed. For example, some components of data collection would have to be foregone if fewer staff is available to collect and/or analyze the data. Maintenance and Upgrades to the software used to enhance the Board's data collecting and reporting will be eliminated; Academic projects or assignments would have to be eliminated. Budgetary and fiscal analysis of financial data would be eliminated. Other assignments would take longer to complete, the number of Board meetings may have to be reduced, travel would be even further restricted and/or virtually eliminated, etc.

The amount requested in the 010000 (Salaries and Benefits) category is \$1,284,000 plus administered funds (net effect of \$9,970) that would have been provided in the 11/12 fiscal year if the Board of Governors would be receiving funds in TF 2261. But since we are not, those funds will need to be restored in General Revenue to cover the benefits associated with the employees that will be paid with the \$1,284,000.

The breakdown is as follows:

- Florida Retirement System Contribution Adjustment for FY 2010-11 _ effective 7/1/10-----\$7,960
- Adjustment to State Health Insurance Premium Contribution for FY 2010-11_effective 12/1/10----\$4,244
- Elimination of Agency Payall Status_effective 7/1/2010-----(\$2,947)
- Adjustment to State Life Insurance Contribution Rate for FY 2010-11_effective 12/1/2010-----(\$1,352)
- State Health Insurance Adjustment for FY 2010-11 - 5 Months Annualization-----\$3,031
- State Life Insurance Adjustment for FY 2010-11 - 5 Months Annualization-----(\$966)
