AGENCY ISSUE NARRATIVE:

2012-2013 BUDGET YEAR NARRATIVE:
 Long-Range Program Plan Approved Activity: IT COMPONENT? NO
 Provide Finance and Accounting, Property Management, Grants Management and Procurement Services

TRANSFER POSITIONS TO THE ADMINISTRATIVE SERVICES PROGRAM FROM MOTOR CARRIER COMPLIANCE

This issue requests ten (10) positions, along with their designated rate and salary funding, currently appropriated in the Florida Highway Patrol Program, Motor Carrier Compliance budget entity (76100600,) be transferred to the Administrative Services Program, Executive Direction and Support Services budget entity (76010100). These positions serve in an administrative support capacity and are being transferred to properly align the job function to the correct entity.

Please refer to issue code 1801410, Florida Highway Patrol Program, Motor Carrier Compliance budget entity 76100600.

Amended 2012-13 Narrative after December 9, 2011:

This request is revised to more accurately reflect the salary, benefits and rate required to support transfer of administrative positions from the Florida Highway Patrol Program, Motor Carrier Compliance budget entity, to the

AGENCY ISSUE NARRATIVE:

2012-2013 BUDGET YEAR NARRATIVE: IT COMPONENT? NO
 Long-Range Program Plan Approved Activity: Executive Leadership/Support Services

Realignment of Human Resources Services-Deduct

AMENDED 2012-13 Narrative after December 9, 2011

This issue requests \$1,526,456 be deducted from the Executive Direction/Administrative Support budget entity (76010100), Human Resources Services category (107040).

Currently, the Department's Human Resources Services fees are paid from the Executive Direction/Administrative Support budget entity (76010100). This issue requests realignment of these expenditures to reflect the actual charges per budget entity. This realignment will provide a more correct representation of expenditures by budget entity within the Department which will improve the accuracy of data in automated financial reports and systems.

Summary: This is a new issue. This issue requests \$1,526,456 be deducted from the Executive Direction/Administrative Support budget entity (76010100), Human Resources Services category (107040).

AGENCY ISSUE NARRATIVE:
 2012-2013 BUDGET YEAR NARRATIVE: IT COMPONENT? NO
 Long-Range Program Plan Approved Activity: Enforcement of Traffic Laws

Amended 2012-13 Narrative after December 9, 2011:

This issue request the transfer of \$300,435 in Salaries and Benefits and five (5) positions from the Motorist Services Program, Motorist Services budget entity (76210100) to the Florida Highway Patrol Program, Highway Safety budget entity (76100100). These positions will conduct research and provide detailed crime analyses to support law enforcement operations.

These positions will be responsible for providing timely and relevant information on crime patterns and trends that will assist operational and administrative personnel in planning the deployment of resources for the prevention and suppression of criminal activities. These positions will also research and analyze law enforcement data, identify and interpret criminal activity, patterns and trends to aid in staffing and deployment of police personnel.

Summary: This is a new issue. This issue requests the transfer of \$300,435 in Salaries and Benefits and five (5) positions to the Florida Highway Patrol Program from the Motorist Services Program to provide crime analysis to support law enforcement operations.

AGENCY ISSUE NARRATIVE:

2012-2013 BUDGET YEAR NARRATIVE: IT COMPONENT? NO
 Long-Range Program Plan Approved Activity: Enforcement of Traffic Laws

Realignment of Human Resources Services-Add

AMENDED 2012-13 Narrative after December 9, 2011

This issue requests \$770,388 be added to the Florida Highway Patrol budget entity (76100100), Human Resources Services category (107040).

Currently, the Department's Human Resources Services fees are paid from the Executive Direction/Administrative Support budget entity (76010100). This issue requests realignment of these expenditures to reflect the actual charges per budget entity. This realignment will provide a more correct representation of expenditures by budget entity within the Department which will improve the accuracy of data in automted financial reports and systems.

Summary: This is a new issue. This issue requests \$770,388 be added to the Florida Highway Patrol budget entity (76100100), Human Resources Services category (107040).

FLORIDA HIGHWAY PATROL SUPPORT FOR THE 2012 REPUBLICAN NATIONAL CONVENTION (RNC)

This issue requests funding in Fiscal Year 2012-13 for Florida Highway Patrol support of the 2012 Republican National Convention to be held in Tampa, Florida scheduled for August 27-30, 2012.

In May 2010, the City of Tampa was selected to host the 2012 Republican National Convention. This event, scheduled for August 27-30, 2012, is expected to bring approximately 45,000 visitors into the Tampa Bay Area. The expected attendees include party delegates and alternates, journalists, volunteers, convention staffers and visitors.

The RNC has been designated as a National Special Security Event. This designation facilitates federal funding for federal, state and local agencies to coordinate operational security and planning for the event. An Executive Steering Committee (ESC) for Public Safety consisting of key federal, state and local law enforcement agencies has been established. The ESC will assess the event, oversee the development and implementation of the security plan and provide decision makers at the Emergency Operations Center during the event.

The Florida Highway Patrol has been requested to commit approximately 400 personnel for a seven day period. FHP personnel will participate in:

 Security for RNC State Delegate transportation

In response to this mutual aid event, FHP will deploy sworn and non-sworn personnel and use agency vehicles for protective and patrol details. FHP personnel will be on 12-hour shifts and will be required to travel outside their duty area.

Funds will be needed for sworn and non-sworn personnel overtime, travel and vehicle costs. Through the host agency, City of Tampa, federal funds will be provided to reimburse FHP costs incurred as a result of the RNC event. To receive and process reimbursements from the City of Tampa, the Department requests \$ 1,764,663 in Federal Grants Trust Fund authority.

Summary: This is a new issue. This issue requests funding in Fiscal Year 2012-13 for Florida Highway Patrol support of the 2012 Republican National Convention to be held in Tampa, Florida scheduled for August 27-30, 2012.

PRICE INCREASE FOR OPERATION OF MOTOR VEHICLES										3000430

The Department submitted an initial budget request for Fiscal Year 2012-13 which transfers \$655,398 from the Other Personal Services category (030000) to the Operation of Motor Vehicles category (102289) to partially fund projected costs for next year. (See issues 2000620 and 2000630). Based on current spending trends, an additional \$1,277,634 is necessary to fully fund this category for 2012-13. The increased need is attributed to three major areas which includes replacement of vehicles tires, of which the cost has increased by approximately 12%; increased price of fuel over Fiscal Year 2010-11, and additional repair and maintenance costs due to the increasing age and mileage of the Department's fleet.

Summary: This is a new issue. This funding is critical to ensuring the Department is able to maintain and operate reliable pursuit vehicles in order to enforce traffic laws, deter and respond to criminal activities and provide security of Florida roadways.

 FLORIDA HIGHWAY PATROL LEADERSHIP
 DEVELOPMENT PLAN

The Leadership Development Plan proposes an implementation date of July 1, 2012, with an initial cost of \$7,823,655. Second year costs are estimated to be approximately \$8,549,285.

Funding the Leadership Development Plan would provide the Florida Highway Patrol the opportunity to invest in and further train its members. The plan emulates what many other state law enforcement agencies already incorporate, such as: Maryland, Virginia, and Louisiana. Leadership development is so critical that the International Association of Chiefs of Police has created a center to increase development throughout the country. The Florida Highway Patrol plan would incorporate education, leadership training, experience, work history, and performance evaluation to cultivate our troopers to become future leaders of the agency who are prepared to command in an increasingly complex society.

The leadership development initiative contained in this request would provide graduated compensation increases for sworn members of the Florida Highway Patrol by creating tiers within the Trooper, Corporal, Sergeant, Lieutenant and Captain ranks. Advancement through the tiers would include a minimum number of years of service, an established minimum overall rating on their performance evaluations, and higher education or training requirements. The requested amount represents the funds required to implement the program and is based on the number of members currently eligible for each of the tiers.

This plan encourages members to increase their level of knowledge through either formal education or professional law enforcement leadership training. Additionally, the ranks of Lieutenant and Captain will be required to complete Leadership in Police Organizations (LPO) training to advance to the top tier. LPO training is one of the premier leadership development tools available to law enforcement. To continue to provide the highest quality of service to the citizens and visitors of Florida this Leadership Development Plan affords the Florida Highway Patrol an avenue to maintain an experienced force, increase the training of its Troopers and simultaneously create prepared leaders for tomorrow.

COST

The Department is requesting \$7,823,655 in Trust Fund authority in Year 1 and \$8,549,285 in Year 2 to fund this initiative.

Rank	FY 2012-13 Request	FY 2013-14 Annualization

Captain	\$ 120,533	\$ 127,838
Total	\$7,823,655	\$8,549,285

Amended 2012-13 Narrative after December 9, 2011

The Florida Highway Patrol has revised their Leadership Development Plan to limit tier progression to one tier per year for members hired before July 1, 2010 to ensure the knowledge gained in each tier is embedded in each Trooper's performance. The test at the end of each tier will be given annually in March, and as a result, the budgetary requirements for 2012-13 have decreased substantially.

Summary: This request amends the budget needed for the Florida Highway Patrol Leadership Development Plan.

AGENCY ISSUE NARRATIVE:

2012-2013 BUDGET YEAR NARRATIVE: IT COMPONENT? NO

Long Range Program Plan Approved Activity: Enforcement of Traffic Laws

Amended 2012-13 Narrative after December 9, 2011:

This issue requests \$767,097 to complete implementation of two Florida Driver License Biometric Identification Facial Recognition Software grants (FRS) awarded by the Division of Emergency Management (DEM) within the Federal Grants Trust Fund, Florida Highway Patrol Program. This funding is requested in the Highway Safety budget entity (76100100), Federal Grants Trust Fund, Domestic Security category (100851).

The Florida Driver License Biometric Identification Facial Recognition Software will allow law enforcement and investigators the ability to compare photographs or videos to the Florida Driver Licenses System (FDLS) of licensed drivers and to assist with intelligence gathering related to criminal acts or acts of terrorism. The funds will be used to purchase facial recognition software and equipment. The Florida Driver License Biometric Identification Facial Recognition System grants were appropriated in Fiscal Year 2010-11 and 2011-12 as part of the domestic security administered funds allocation. Re-appropriation of this funding in Fiscal Year 2012-13 is required to complete these projects.

Summary: This is a new issue. The Department requests \$767,097 within the Highway Safety budget entity (76100100), Federal Grants Trust Fund, Domestic Security category (100851) to complete implementation of two Florida Driver License Biometric Identification Facial Recognition System grants (FRS).

Realignment of Human Resources Services-Add

AMENDED 2012-13 Narrative after December 9, 2011

This issue requests \$8,536 be added to the Florida Highway Patrol Executive Direction budget entity (76100400), Human Resources Services category (107040).

Currently, the Department's Human Resources Services fees are paid from the Executive Direction/Administrative Support budget entity (76010100). This issue requests realignment of these expenditures to reflect the actual charges per budget entity. This realignment will provide a more correct representation of expenditures by budget entity within the Department which will improve the accuracy of data in automated financial reports and systems.

Summary: This is a new issue. This issue requests \$8,536 be added to the Florida Highway Patrol Executive Direction budget entity (76100400), Human Resources Services category (107040).

TRANSFER POSITIONS FROM MOTOR CARRIER COMPLIANCE TO THE ADMINISTRATIVE SERVICES PROGRAM

This issue requests the transfer of ten (10) positions along with their designated rate and salary funding from the Florida Highway Patrol Program, Motor Carrier Compliance budget entity (76100600,) to the Administrative Services Program, Executive Direction and Support Services budget entity (76010100). These positions serve in an administrative support capacity and are being transferred to properly align the job function to the correct entity.

Please refer to issue code 1801420, Administrative Services Program, Executive Direction and Support Services budget entity 76010100.
 Amended 2012-13 Narrative after December 9, 2011:

This request is revised to more accurately reflect the salary, benefits and rate required to support transfer of administrative positions from the Florida Highway Patrol Program, Motor Carrier Compliance budget entity, to the Administrative Services Program, Executive Leadership and Support Services budget entity. Transfer of these positions will properly align the job function with the correct funding entity.**KEY REC**7610060012020000001801410010000

FLORIDA HIGHWAY PATROL SUPPORT FOR THE 2012 REPUBLICAN NATIONAL CONVENTION (RNC)

This issue requests funding in Fiscal Year 2012-13 for Florida Highway Patrol support of the 2012 Republican National Convention to be held in Tampa, Florida scheduled for August 27-30, 2012.

In May 2010, the City of Tampa was selected to host the 2012 Republican National Convention. This event, scheduled for August 27-30, 2012, is expected to bring approximately 45,000 visitors into the Tampa Bay Area. The expected attendees

<u>LAW ENFORCEMENT</u>										<u>1202.00.00.00</u>
WORKLOAD										3000000
GRANTS AND AIDS - PROVIDE FUNDING FOR PRESIDENTIAL NOMINATING CONVENTION										3000190

include party delegates and alternates, journalists, volunteers, convention staffers and visitors.

The RNC has been designated as a National Special Security Event. This designation facilitates federal funding for federal, state and local agencies to coordinate operational security and planning for the event. An Executive Steering Committee (ESC) for Public Safety consisting of key federal, state and local law enforcement agencies has been established. The ESC will assess the event, oversee the development and implementation of the security plan and provide decision makers at the Emergency Operations Center during the event.

The Florida Highway Patrol has been requested to commit approximately 400 personnel for a seven day period. FHP personnel will participate in:

- Mobile Field Force activities - providing security within the convention perimeter
- Radiological/Nuclear Detection and Prevention activities
- Dignitary Protection - Governors Detail
- Dignitary Protection - Lieutenant Governors Detail
- Staffing of the Intelligence Operations, Joint Operations and Multi Agency Communications Centers
- Security for RNC State Delegate transportation

In response to this mutual aid event, FHP will deploy sworn and non-sworn personnel and use agency vehicles for protective and patrol details. FHP personnel will be on 12-hour shifts and will be required to travel outside their duty area.

Funds are will be needed for sworn and non-sworn personnel overtime, travel and vehicle costs. Through the host agency, City of Tampa, federal funds will be provided to reimburse FHP costs incurred as a result of the RNC event. To receive and process reimbursements from the City of Tampa, the Department requests \$ 1,764,663 in Federal Grants Trust Fund authority.

Summary: This is a new issue. This issue requests funding in Fiscal Year 2012-13 for Florida Highway Patrol support of the 2012 Republican National Convention to be held in Tampa, Florida scheduled for August 27-30, 2012.

AGENCY ISSUE NARRATIVE:

2012-2013 BUDGET YEAR NARRATIVE: IT COMPONENT? NO
 Long-Range Program Plan Approved Activity: Provide Commercial Vehicle Inspections

Funding is requested to implement the Florida Highway Patrol Leadership Development Plan.

The Leadership Development Plan proposes an implementation date of July 1, 2012, with an initial cost of \$1,067,748. Second year costs are estimated to be approximately \$1,166,365.

Funding the Leadership Development Plan would provide the Florida Highway Patrol the opportunity to invest in and further train its members. The plan emulates what many other state law enforcement agencies already incorporate, such as: Maryland, Virginia, and Louisiana. Leadership development is so critical that the International Association of Chiefs of Police has created a center to increase development throughout the country. The Florida Highway Patrol plan would incorporate education, leadership training, experience, work history, and performance evaluation to cultivate our troopers to become future leaders of the agency who are prepared to command in an increasingly complex society.

The leadership development initiative contained in this request would provide graduated compensation increases for sworn members of the Florida Highway Patrol by creating tiers within the Trooper, Sergeant, Lieutenant and Captain ranks. Advancement through the tiers would include a minimum number of years of service, an established minimum overall rating on their performance evaluations, and higher education or training requirements. The requested amount represents the funds required to implement the program and is based on the number of members currently eligible for each of the tiers.

FLORIDA HIGHWAY PATROL LEADERSHIP						
DEVELOPMENT PLAN						3001A20

This plan encourages members to increase their level of knowledge through either formal education or professional law enforcement leadership training. Additionally, the ranks of Lieutenant and Captain will be required to complete Leadership in Police Organizations (LPO) training to advance to the top tier. LPO training is one of the premier leadership development tools available to law enforcement. To continue to provide the highest quality of service to the citizens and visitors of Florida this Leadership Development Plan affords the Florida Highway Patrol an avenue to maintain an experienced force, increase the training of its Troopers and simultaneously create prepared leaders for tomorrow.

COST

The Department is requesting \$1,067,748 in Trust Fund authority in Year 1 and \$1,166,365 in Year 2 to fund this initiative.

	FY 2012-13 Request	FY2013-14 Annualization

	-----	-----
Total	\$1,067,748	\$1,166,365
	=====	=====

Amended 2012-13 Narrative after December 9, 2011

The Florida Highway Patrol has revised their Leadership Development Plan to limit tier progression to one tier per year for members hired before July 1, 2010 to ensure the knowledge gained in each tier is embedded in each Trooper's performance. The test at the end of each tier will be given annually in March, and as a result, the budgetary requirements for 2012-13 have decreased substantially.

Summary: This request amends the budget needed for the Florida Highway Patrol Leadership Development Plan.

AGENCY ISSUE NARRATIVE:

2012-2013 BUDGET YEAR NARRATIVE: IT COMPONENT? NO
 Long-Range Program Plan Approved Activity: Issue Driver Licenses and Identification Cards

Amended 2012-13 Narrative after December 9, 2011:

This issue request the transfer of \$300,435 in Salaries and Benefits and five (5) positions from the Motorist Services Program, Motorist Services budget entity (76210100) to the Florida Highway Patrol Program, Highway Safety budget entity (76100100). These positions will conduct research and provide detailed crime analyses to support law enforcement operations.

These positions will be responsible for providing timely and relevant information on crime patterns and trends that will assist operational and administrative personnel in planning the deployment of resources for the prevention and suppression of criminal activities. These positions will also research and analyze law enforcement data, identify and interpret criminal activity, patterns and trends to aid in staffing and deployment of police personnel.

Summary: This is a new issue. This issue requests the transfer of \$300,435 in Salaries and Benefits and five (5) positions to the Florida Highway Patrol Program from the Motorist Services Program to provide crime analysis to support law enforcement operations.

AGENCY ISSUE NARRATIVE:

2012-2013 BUDGET YEAR NARRATIVE: IT COMPONENT? NO
 Long-Range Program Plan Approved Activity: Motorist Services

Realignment of Human Resources Services-Add

AMENDED 2012-13 Narrative after December 9, 2011

This issue requests \$584,400 be added to the Motorist Services budget entity (76210100), Human Resources Services category (107040).

Currently, the Department's Human Resources Services fees are paid from the Executive Direction/Administrative Support budget entity (76010100). This issue requests realignment of these expenditures to reflect the actual charges per budget entity. This realignment will provide a more correct representation of expenditures by budget entity within the Department which will improve the accuracy of data in automated financial reports and systems.

Summary: This is a new issue. This issue requests \$584,400 be added to the Motorist Services budget entity (76210100), Human Resources Services category (107040).

(100777) categories in order to implement two federal grants that are pending approval for Fiscal Year 2012-2013. The grants include the Commercial Driver Licenses Program Improvement Grant (CDLPI) and the Florida Commercial Motor Vehicle Crash Record Reporting Improvement Project Grant (SaDIP), to be awarded by the United States Department of Transportation, Federal Motor Carrier Safety Administration (FMCSA).

The Department is required by FMCSA to meet federal standards for licensing, record keeping, and reporting information on commercial driver license (CDL) holders through the Commercial Driver Licenses Information System (CDLIS) database system. The 2012 CDLPI grant requests funding to develop and enhance current systems to meet 2014 federal requirements as follows: issue CDL learner permits that are tamper resistant, issue CDL licenses that display restriction codes consistent with FMCSA's national standards, develop and implement computer based initial certification training and periodic follow-up refresher trainings, and implement a CDL skills test appointment schedule and administration system.

Currently, the Department of Highway Safety and Motor Vehicle (DHSMV) collects 100% of the required commercial motor vehicle (CMV) crash data elements in compliance with federal regulations. The 2012 SaDIP grant requests funding to improve the timeliness, efficiency, accuracy and completeness of State processes and system uses that collect, analyze and report large truck and bus crashes and inspection data.

Summary: This is a new issue. The Department requests a transfer of (\$952,750) within the Motorist Services budget entity (76210100), Federal Grants Trust Fund, Expenses appropriation category (040000) that reallocate funding to the Operating Capital Outlay (060000) and Contracted Services (100777) categories for implementation of two pending federal grants, 2012 Florida Commercial Driver Licenses Program Improvement and the State Data Improvement Program grants.

the original documentation required to prove their identity, social security number, and residential address when visiting a driver licenses (DL) office to renew or obtain a new driver license or identification card. This has led to a heightened level of frustration among customers in many high-transaction state-operated DL offices. Often times, this frustration is unleashed onto the DL examiners and other customers in these offices.

The stressful nature of being a DL examiner has been compounded by the elevated level of frustration being displayed in many of driver license offices. In March 2011, the Department conducted a survey to develop a baseline of DL examiners perceptions of safety in their offices. The results revealed that 60% of respondents felt unsafe while at work and 28% considered quitting their job due to safety concerns. Results also revealed that approximately 78% of examiners responded that they or others are threatened 1-3 times daily and approximately 10% responded that they or others are threatened in excess of 16 times daily. Respondents also estimated that 70% of irate customers were angry due to the Real ID documentation requirements.

In an effort to address the frequency of threats to DL examiners and improve office security, the Department implemented a pilot program during fiscal year 2011-12 using Florida Highway Patrol (FHP) troopers to provide security in twenty select high-transaction offices during peak times where safety and security concerns were the greatest. Troopers providing security in these offices are currently paid with OPS funds for overtime work.

One month following the initial survey, the survey was redistributed with favorable results. The percentage of examiners who reported feeling unsafe at work dropped from 60% to 38.5%. FHP's presence in these offices has had a calming effect on the office environment and is noticed by customers and members alike.

The Department would like to continue providing security services in twenty (20) driver license offices, for sixteen hours a week for the 2012-13 fiscal year due to the success of the pilot program.

Summary: This issue requests the transfer of \$740,000 between the Salaries and Benefits and Other Personal Services categories within the Motorist Services Program to fund additional diver license office security.

See Issue Code 200650 in Motorist Services (76210100).

2012-2013 BUDGET YEAR NARRATIVE: IT COMPONENT? NO
 Long-Range Program Plan Approved Activity: Provide Program Customer Service

Member Performance Bonus Pilot Program

Amended 2012-13 Narrative after December 9, 2011:

This issue requests authorization to implement a Bonus Pilot Program in the Motorist Services Program, Customer Service Center. The Division of Motorist Services understands the need to motivate staff. Incentive programs can be critical to the success of a call center. Incentive programs are likely to boost morale and provide challenge to a daily routine. Creating an atmosphere of healthy competition may lead to increased customer care and productivity.

The Bonus Pilot Program will be limited to Senior Consumer Service Analysts within the Customer Service Center. Of this job classification, the pilot will be limited to only those who spend the majority of their time actually answering customer telephone calls (50 FTE). This requirement distinguishes these members from other members of the same job classification who respond to written correspondence.

The performance award will be in two tiers. Tier 1 recipients will receive a net bonus of \$150 and Tier 2 recipients will receive a net bonus of \$75. Award criteria will include but not be limited to the amount of time a member is logged on and available to take calls, the number of calls handled monthly and the call effectiveness determined by Supervisors from the Service Center. It is estimated that 7 to 10 members will qualify monthly for both the Tier 1 and Tier 2 awards. The cost to the Department at the Tier 1 level of \$150 for 10 bonuses is \$2,328.40 per month and \$1,164.30 per month for 10 bonuses at the Tier 2 level of \$75. The total annual cost at this level of the Bonus Plan will be \$41,912.40. This dollar amount will be absorbed within existing Department funds.

Summary: This is a new issue. This issue requests \$1 to implement a Member Performance Bonus Pilot Program.

2012-2013 BUDGET YEAR NARRATIVE: IT COMPONENT? NO
 Long Range Program Plan Approved Activity: Issue Driver Licenses and Identifications Cards

Amended 2012-13 Narrative after December 9, 2011:

This issue requests \$850,000 to complete the 2010 Real ID Driver License Security Grant Program in Fiscal Year 2012-13.

The 2011-2012 General Appropriations Act (GAA) provided nonrecurring funding to implement the 2010 Real ID Driver License Security Grant Program funded by the United States Department of Homeland Security. The three year grant, with an end term date of June 30, 2013, has been used to supplement Real ID implementation projects to enhance office efficiencies, expand public information efforts, incorporate digital image technologies and improve external communications and data management processes.

On January 4, 2010, Florida became one of the first states to begin issuing materially compliant licenses and ID cards that meet Federal Real ID Act standards. The federal government, recognizing the wide ranging impact of meeting REAL ID standards, subsequently awarded several annual grants with three year terms aimed at improving driver license security. One of the projects is the 2010 Real ID Grant which involves the development of a secure web portal, wherein local law enforcement agencies can access the Department's enrolled digital images. Creation of the portal provides the Department with a vehicle to highlight the benefits of the facial recognition program. This in turn is being used to encourage state and local law enforcement agencies to fund enrollment of the images in their respective jurisdictions.

The Department requests appropriation of \$850,000 in funding within the Motorist Services budget entity (76210100), Domestic Security category (100851) to complete the implementation efforts for the 2010 Real ID Driver License Security Grant Program.

Summary: This is a new issue. The Department requests \$850,000 within the Motorist Services budget entity (76210100), Highway Safety Operating Trust Fund, Domestic Security appropriation category (100851) to complete the 2010 Real ID Driver License Security Grant Program.

AGENCY ISSUE NARRATIVE:

2012-2013 BUDGET YEAR NARRATIVE:

IT COMPONENT? NO

Long Range Program Plan Approved Activity: Issue Driver Licenses and Identifications Cards

This issue requests \$887,561 for the 2011 Real Identification Driver's License Security Grant. The grant was awarded in fiscal year 2011-2012 in the amount of \$1,641,311 by the United States Department of Homeland Security. Expenditures in FY 2011-2012 were projected to reach \$753,750.

The Department was awarded Real ID grants from the Department of Homeland Security in the amount of \$3,750,926 in 2008, \$1,817,719 in 2009 and \$1,656,999 in 2010. The 2008 Real ID Demonstration grant supports efforts to achieve compliance with the Real ID Act and on January 4, 2010 Florida became one of two states issuing Materially Compliant credentials. Florida is on track to become fully compliant before the January 15, 2013 deadline, as mandated by the Real ID Act. Full compliance involves establishing network connectivity with data exchange portals that will allow states to exchange driver information real-time.

Florida is an established leader in the pursuit of enhancing security, deterring fraud and improving storage of customer information. Grant funding has helped establish a Facial Recognition model where county law enforcement agencies statewide can enroll facial images, helped create and maintain a statewide public information and awareness campaign and website entitled "Gather Go Get" and supports various on-going projects aimed at improving the quality of the identity information maintained in the Department's databases.

The 2011 Real Identification Driver's License Security Grant will address key components affecting how driver information is handled. These components include: tracking and processing data related to Financial Responsibility (automobile insurance) and redesign of a customer friendly driver transcript (driving record). The 2011 Real ID grant will also enhance the integrity of driver data maintained by the Department before it is shared with other jurisdictions. The 2011 Real ID grant provides multiple benefits to the State of Florida and its citizens which include reducing the number of unidentified uninsured drivers, decreasing the number of uninsured motorists on Florida's roadways, increasing the efficiency of processes, thereby reducing administrative costs, eliminating confusing codes and abbreviations on the

AGENCY ISSUE NARRATIVE:

2012-2013 BUDGET YEAR NARRATIVE: IT COMPONENT? NO
 Long-Range Program Plan Approved Activity: Motorist Services

Realignment of Human Resources Services-Add

AMENDED 2012-13 Narrative after December 9, 2011

This issue requests \$62,473 be added to the Information Technology budget entity (76400100), Human Resources Services category (107040).

Currently, the Department's Human Resources Services fees are paid from the Executive Direction/Administrative Support budget entity (76010100). This issue requests realignment of these expenditures to reflect the actual charges per budget entity. This realignment will provide a more correct representation of expenditures by budget entity within the Department which will improve the accuracy of data in automated reports and systems.

Summary: This is a new issue. This issue requests \$62,473 be added to the Information Technology budget entity (76400100), Human Resources Services category (107040).

See Issue 2000030 in: Executive Direction/Administrative Support (76010100) and Issue 2000040 in: Florida Highway Patrol (76100100) Executive Direction (76100400); Motor Carrier Compliance (76100600) and Motorist Services (76210100)
