## *Schedule I Series*

**Frank Peterman, Jr., SECRETARY**

## SCHEDULE I NARRATIVE

**Administrative Trust Fund:** Background Screening fees are collected and deposited to pay for fingerprinting and background screening services through the Florida Department of Law Enforcement (FDLE) and the Federal Bureau of Investigations (FBI) for the Department of Juvenile Justice (DJJ) and contract employees. Only the amount of fees paid to the FDLE is collected and 7% service charge to General Revenue assessed against this fund.

The distribution for Administrative Trust Fund for Columns A02 and A03 is as follows:

Column A02

360,194	The DJJ expects to collect from providers to reimburse FDLE for fingerprinting fees in FY 2008-09.
237,787	The DJJ expects to earn from the Federal Juvenile Justice Delinquency Prevention (JJDP) grants in indirect cost earnings in FY 2008-09. The reason for the increase is the DJJ has negotiated a new percentage to calculate earnings.

These projections are also based on the total budget expected to be spent by the budget office.

Column A03

360,194	The DJJ expects to collect from providers to reimburse FDLE for fingerprinting fees in FY 2009-10.
237,787	The DJJ expects to earn from the Federal JJDP grants in indirect earnings for FY 2009-10. There is a possibility of an increase or decrease in these earnings based on the amount of awards received from the granting agency and the rate agreement in the next cost allocation plan.

These projections are also based on the total budget expected to be spent by the budget office.

## SCHEDULE I NARRATIVE

**Grants and Donations Trust Fund:** This fund has multiple revenue sources and supports budget in all budget entities. Beginning July 1, 2008, the receipts from all federal grants will be deposited in the Federal Grants Trust Fund as passed by the 2007 Legislature. The remaining fund sources are described below. Each source affected by the 5% trust fund reserve will be addressed separately.

- Cost of Care Recovery - (formerly known as Maintenance Fees) - This revenue has historically been insufficient to support any substantial budget. Receipts for FY 1999-00 were \$114,832. A change in statute effective July 1, 2000 hoped to increase receipts to \$500,000. The FY 2000-01 budget to be supported by this fund source is \$1,000,000. The remainder of the budget is to come from various prior year revenue surpluses. Since it will take time to build this fund source, a 5% trust fund reserve necessitates a need for more General Revenue or will result in unfunded budget. This fund source supports budget in entities 80400100, 80750100, 80700100, 80700200, 80700300, 80800100 and 80800200.
- Community Partnership Grants - Current approved operating budget does exceed current annual receipts but is funded with carry forward cash from previous fiscal years. The 5% trust fund reserve will result in reduced services through grants to local programs and unfunded budget. This fund source supports budget in entities 80700100 and 80900100.
- Dade Complex Rent - Current approved operating budget in budget entity 80400100 exceeds current annual receipts due to FCO budget supported by this fund source and assessment of the 7% service charge to General Revenue. To set aside an additional 5% trust fund reserve necessitates use of other fund sources including General Revenue to meet operating and maintenance needs for the Dade Juvenile Justice Complex.
- Marion County Sheriff's Office - This grant from the Marion County Sheriff's Office supports Other Personal Services (OPS) hires for "booking" in the Juvenile Assessment Center in Marion County. The 5% trust fund reserve would cause a reduction in OPS for "booking".

The distribution for columns A02 and A03 is as follows:

A02	A03	
7,652,749	7,652,749	Community Partnership funds from projected collections by the Department of Highway Safety and Motor Vehicles.
2,500,000	2,500,000	These are fees collected from parents of juveniles for their care based on past collections, an increase could be expected due to the inclusion of probation billings.

650,072	650,072	Rent collections from Dade County that are used specifically for the Juvenile Justice Complex.
189,422	189,422	Grants from Marion County used for specific purposes based on grant award.

These are the major funding sources in Grants and Donations and projections are based on past collections or on the grant award itself.

**Unfunded budget narrative** – Because of reductions in receipts, the department has budget that will not be funded for FY 2009-10. The unfunded budget amount consists of cost of care receipts that will not be collected and excess community partnership receipts that are no longer available.

A02	A03	
	2,876,383	Unfunded Budget consists mainly of costs of care fees that may not be received and Community Partnership Funds on hand will be exhausted by FY 2009-10.

**5% Trust Fund Reserve** – The 5% trust fund reserve calculations are as follows:

A03:

Marion County Sheriff’s Office -	189,422 X .05 =	9,471.10
Miami Dade Rent -	650,072 X .05 =	32,503.60
Community Partnership -	7,652,749 X .05 =	382,637.45
Cost of Care -	2,500,000 X .05 =	<u>125,000.00</u>
Total		549,612.15

## SCHEDULE I NARRATIVE

**Juvenile Crime Prevention and Early Intervention Trust Fund:** The revenue source for this fund is the additional fee collected for purchase of the Invest in Children license plate. Currently, revenue is sufficient to support the 5% trust fund reserve. Ultimately, the result would be reduced Prevention program funding in budget entity 80900100 for the geographical area where the license plate was sold. Receipts for this trust fund have decreased over the past few years resulting in reduction to the budget in FY 2007–08 and 2009-10. Due to the requirement of both the 7% Service Charge to General Revenue and the 5% fund reserve, this fund is subject to additional budget reductions.

The distribution for columns A02 and A03 is as follows:

### Column A02

391,719 This revenue comes from sales of Invest in Children License Plate. The department receives \$20 on each plate sold by the Department of Highway Safety and Motor Vehicles. The department uses the current collections for projections.

### Column A03

391,719 The same methodology stated above applies to A03.

**5% Trust Fund Reserve** – The calculations for the 5% trust fund reserve are as follows:

$$391,719 \times .05 = 19,585.95$$

The types of services provided from the grant are: counseling services, health support services, employment services, transportation services, and case management services. These services are provided to the clients in the Juvenile Justice Programs. These are one hundred percent (100%) federal funds and are exempt from the five percent (5%) reserve. ## SCHEDULE I NARRATIVE

**Shared County/State Juvenile Detention Trust Fund:** This trust fund was established by the 2006 Legislature to receive and track the costs associated with the secure detention centers in the state. The Legislature mandated that the counties share in the operations of the detention centers based on the youth with addresses within their county at the time of entering the facility until the courts adjudicate the case.

The distribution for Columns A02 and A03 is as follows:

### Column A02

99,332,783

These funds come from the 67 counties in the State of Florida that are billed for the pre-dispositional costs of the juveniles housed in the state run secure detention facilities. The county of residence of the juvenile at the time of booking into the facility determines the county that pays for that juvenile. The State of Florida provides the funding for the juveniles for fiscally constrained counties, unknown residences, and out of state residences. The State also funds all post-dispositional costs of juveniles in the facilities. There is no five percent reserve required as we only receive funds for the actual costs. The projections for columns A02 and A03 are based on the appropriations in this trust fund. The department completes an annual reconciliation after the end of the fiscal year to determine the actual costs to the counties based on data from the Juvenile Justice Information System. Following the reconciliation, county bills are adjusted according to the actual costs for the prior year.

### Column A03

102,678,380

The source of these funds is explained for Column A02.

For **All Trust Funds** scheduled for review **this year**, answer questions 1-6.

1	Cite the statutory authority for the trust fund (Florida Statutes or, if none, Laws of Florida). Give the statutory purpose, if stated, for the trust fund.	S. 985.6015, F.S. For the purpose of depositing fees collected from counties to cover predispositional costs for juveniles in a secure detention facility.
2	List the specific sources of receipts to the trust fund and the statutory references for those receipts.	The counties in the state of Florida are billed monthly for the number of juveniles in a detention facility in predispositional status. The checks are deposited to this fund in accordance with S. 985.686, F. S.
3	If state or federal law requires or prohibits specific expenditures from the trust fund, list the requirements or prohibitions and the statutory citations for them.	State law requires that these funds be used for the operation of state run secure detention facilities.
4	If any source of receipts is federal, describe any restrictions on those receipts that are inconsistent with how the state does business.	None
5	If this trust fund could be combined with other agency trust funds that accomplish a similar purpose, list those trust funds.	None
6	If General Revenue funding supports the same programs or activities that the trust fund supports, provide a justification.	General Revenue supports the remaining portion of the operational costs of the detention facilities that is post disposition costs and fiscally constrained county costs for operating the facilities.

For Trust Funds that the agency believes are **Exempt from Termination** answer question 7.

7	If this trust fund is exempt from termination according to Article III, section 19(f)(3) of the <i>Florida Constitution</i> , list the specific exemptions that apply.	
---	--	--

For Trust Funds that the agency recommends should be **Re-created/Retained with or without modification** answer questions 8 and 9 and attach draft legislation as requested.

8	Give the specific reasons that continuation (re-creation after initial creation or retention after subsequent re-creation) of this trust fund is necessary. List agency activities (based on the activity detail report) supported by the trust fund.	Continuation of this fund is necessary for as long as the counties in the state of Florida participate in the operational costs of the secure detention facilities. In accordance with the law a reconciliation of these funds must be prepared and reported to ensure that only detention facility costs are used by these funds.
9	Describe any modifications the agency is requesting when this fund is re-created/retained. Attach draft legislation to accomplish the requested change.	No modifications are requested.

For Trust Funds that the agency recommends should be **Terminated** answer question 10 and attach draft legislation as requested.

10	Explain how the current cash balance and all current receipts of the trust fund will be distributed. Attach draft legislation that removes reference to the trust fund from the statutes.	
----	---	--

For **New** Trust Funds that the agency recommends should be **Created** answer questions 11-13 and attach draft legislation as requested.

11	Describe the purpose of the trust fund and identify its revenue sources. Attach draft legislation that meets the requirements of section 215.3207, <i>Florida Statutes</i> .	
12	Describe the specific impact on any other trust fund or the General Revenue Fund from the creation of this new trust fund.	
13	Describe the period of time for which this new trust fund will be needed, or the circumstances under which it will no longer be needed.
