This issue reduces funding which supports the operation of the Florida National Guard.  
 This reduction will degrade the Department s ability to replace vehicles which have become disabled or surpassed  
 replacement guidelines. This will increase maintenance and repair expenses, and extend the life expectancy of our  
 vehicles and may severely impact our ability to perform our mission.

This issue reduces funding which supports recruitment and retention in the Florida National Guard. The Education Dollars for Duty (EDD) Program provides Financial assistance to eligible Florida National Guard soldiers for both undergraduate and graduate level education. EDD pays up to 100% of tuition at an accredited post-secondary institution in exchange for three (3) years of service to the Florida National Guard. Although this issue does not affect the day-to-day operations of the Department of Military Affairs / Florida National Guard, EDD is an exceptional recruitment and retention tool, which benefits both the Florida Guard and the State of Florida.

This issue reduces funding which supports the Operation and Management of the Florida National Guard. When Florida Guard members are called to duty, personnel experienced and familiar with department operations are often used to supplement in many areas. Less than full funding will result in layoffs of state employees, thereby severely impacting the Florida National Guard s ability to respond to emergency operations.

This issue reduces funding which supports the operations of the Florida National Guard. The Department hires contract labor to perform a myriad of tasks associated with running one of the largest military training sites in the country. Though the Department would continue to utilize this type of manpower, less than full funding will force the department to reduce the size of the Contracted labor force which will severely impact our capability to perform our full time mission.

This issue reduces funding which would have supported the Operation of the Florida Youth Challenge program.

The following is an excerpt from the 2013 Legislature SB 1500;  
"From the funds in Specific Appropriation 1163, \$400,000 in recurring  
general revenue funds is provided to expand services at the Florida  
Youth Challenge Academy. These funds shall not be used to reduce or  
offset the financial contributions made by the Clay County School  
District or any other entity for the operation of this program"

This measure did not pass, DMA does not have a requirement for these funds, at this time.
